**Addition 1 to the question 2 of the APPLICATION TO PROCEED
WITHOUT PREPAYING FEES OR COSTS**

I am 25 years old, I finished school in Kiev, College of Law, graduated from the Law Academy, and 2 years ago received qualification of Master of law.

Such qualification and obtained in my student years 8-year-old volunteer human rights experience in a number of non-governmental organizations allowed me to take for the most difficult and the requested by society juridical work for the protection of the fundamental rights of human and society from corruption.

My active intransigent position and successful anti-corruption experience, apparently, causing at officials and employers' biased attitude and the blocking of my employability.

In view of the above circumstances, I continue to lead an active anti-corruption work at the a high international level as a volunteer (free of charge), but the financial costs by my life help ensure my parents.

According to the legislation of Ukraine a minimum living wage is \$ 60. The maximum a monthly assistance that can provide my parents for me = \$ 100 (at the exchange rate of the National Bank of Ukraine this is the 2500 hryvnia), that is (equivalent to) the salary of the young specialist in Ukraine. Provide additional financial support at my parents is not possible.

I'm unmarried, I have no children, that's why I can fully and without weekends to devote all my strength to fight against corruption, because unpunished growth of international corruption leads to an increase in bloody wars and environmental disasters.

I hope that the court rightly will appreciate my position and will help to protect the right to justice.
